Mamma duck said: 'Quack, quack, quack, quack!'
And only FOUR little ducks came back.

Mamma duck said: 'Quack, quack, quack, quack!'
And all her five little ducks came back.

Talk Home Learning

This week we read the story **The Ugly Duckling.** Your task is to go for a walk along your local canal. What animals did you see? Did you see any ducks or swans? Draw a picture of one of the animals that you saw. When walking near water, safety is very important. You must be careful not to get too close to the water (so that you don't fall in) and you must always be with an adult and listen to their instructions. You must also be considerate of animals by not getting too close (don't touch the animals) and not being too noisy.

Take some photos on your walk. All work that is sent into school will be shared with the class and displayed on our home learning wall.

We have 5 very fluffy and very cute ducklings!

We used magnetic letters to make words from the story.

We had our own mini sports day on Wednesday.
