

What have we been learning?

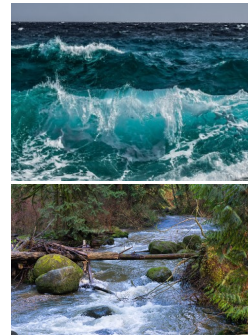

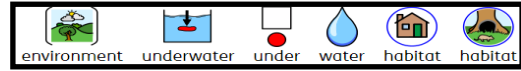

Week beginning: Monday 20th January 2025

We have been learning our letters and sounds in our phonics lessons. We have been playing a phonics game called 'Full Circle' whereby we need to spell words using phonics letter cards until we return to the word we began with.

It was very exciting and our teachers were impressed with how many words we could spell by using our phonic knowledge.

Water environments

We have been learning to name water environments.

Reading

In Reception we have lots of opportunities to read.

Reading for pleasure, choosing our own stories.

Guided and independent reading.

Partner reading

Movie night!

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Talk to your child about the water environments they may know about or have seen. Do they see any in their local area? Do you see a river or perhaps a stream?
