Go shine in
the world

Dear Parents and Carers,
Movie afternoon and Movie Night was enjoyed by all today.
A massive thank you for your help in raising money for St Vincent de Paul charity which works to support homeless teenagers across the country. Children are developing a good understanding of charitable giving and demonstrating our Christian values of **compassion** and **community**.
Do look out for your **Academic Review Day** invitations next week which is coming up on **Friday 23rd February**.
With Best Wishes, Ms Toop (Head of School) and Ms Richardson (Executive Headteacher)

Gymnastics at Our Lady's

This week, as part of our PE Curriculum, Coach Lorenz has been teaching the children of Our Lady's different gymnastic skills from Reception to Year 6. This includes jumping, rolling, climbing (using our apparatus) and balancing. Here are Year 6B showing us some of these skills...

I have received and read the Our Lady's Primary School newsletter of 26.01.2024

A Prayer for our Christian Value Honesty

Dear God,
Help me to see the importance of honesty in everything I do and say.

Help me to always behave in a trustworthy and honest way, so that those around me can depend on me.

Amen.

Work of the Week!

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office). **This week, Yafet Solomon from Year 6A has been chosen for her wonderful writing in English.**

As part of Year 6's English curriculum, they have been reading 'Private Peaceful' by Michael Morpurgo.

Yafet has written a fantastic character description of one of the main characters Molly. He has included lots of brilliant description, such as adjectives and adverbs, as well as a range of super sentences to make his writing exciting to read!

Camden Reading Road Map

Years 4, 5 and 6 take part in 'The Camden Reading Road Map', which is a reading challenge that has been created to help encourage children to develop a passion for reading.

A big well done to Khalil in Year 5A, who is the first pupil to have completed 10 books from the challenge!

Attendance...

I am pleased to announce that Nursery has the best attendance this week with an amazing 100%. As a reward, you will receive some extra play time next week.

Please make sure your child is in school every single day unless they are too unwell to come to school. Every day counts and children who miss school do fall behind in their learning.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Miss Toop, Miss Fearon or Mr Withers.

Helpful Chats psychotherapy and counselling

Everyone at some point in their life will struggle with something. If you're affected right now with anxiety, depression, trauma, grief, overwhelm, anger or relationship issues, I can help.

Psychotherapy helps people to quickly and confidently figure out their present challenges, get clear on what to change and how, and then bravely take first steps to repair, rebuild or transform their life going forward.

I'm Juliette Jackson, psychotherapist in the final stage of my training-HG.Dip.P (Trainee).

Before becoming fully qualified, **over the next few months I have the opportunity to work with clients for no charge.**

As a Human Givens therapist I am committed to:

- **briefness** – I want you to come in, be resourced and confidently move forward with life in as few sessions as that takes
- **simplicity** – in the language I speak, the methods I use and the strategies I share
- **respect and non-judgement** – I believe that in all circumstances there are good, uplifting and hopeful conversations to be had about your future and how you want to live it.

Booking A Session

Your first step is to email me using the contact details below. I'll get back to you to organise a quick first conversation (15-minutes, no charge) –by phone. I do this so that I can better understand what it is you'd like to see change and it allows you to ask me any questions you might still then have.

If you're keen to go ahead, we'll get a 60-minute session booked in face to face. I have a number of meeting rooms available across London.

And that's it ... you did it. The journey towards the changes you want to see has already begun.
