## In the Week

Please practise this rhyme with your child.

## Home Learning

This week we have been reading the story The Three Little Pigs. If you were a little pig what would you build your house out of? (It can be something different to straw, sticks and bricks) Draw or build a model of your house.

All work that is sent into school will be shared with the class and displayed on our home learning wall.

# What have we been learning in the Nursery?

Friday 26th January 2024

We drew and built our own houses.

This week in Maths we have been learning to name 3D shapes (sphere, cylinder, cube, cone, cuboid and pyramid). We have also been learning to investigate the properties of 3D shapes such as flat faces and curved faces.

We made 'wolf' soup with pasta and carrots.
