

# What have we been learning in the Nursery?

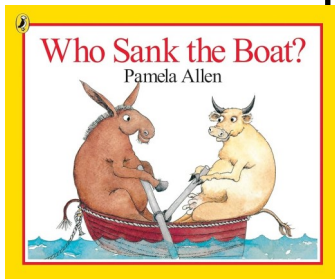

Friday 28th February 2025

## Spring Term

During the Spring term we are learning about the world around us.

## In the Week

This week we have been reading Who Sank the Boat?

We used props to retell the story.

## Word Aware Day— Thursday 6th March

Remember to come to school dressed as your word. The word should be written and attached to the costume or hung

around your child's neck.

## Rhyme of the Week

**The big ship sails on the ally ally oh**

The big ship sails on the ally ally oh,  
The alley ally oh,  
The alley ally oh.

The big ship sails on the ally ally oh,  
On the last day of September.

The captain said, 'It will never, never do,  
Never, never do,  
Never, never do.'

The captain said, 'It will never, never do,'  
On the last day of September.

The big ship sank to the bottom  
of the sea,  
The bottom of the sea,  
The bottom of the sea.  
The big ship sank to the bottom  
of the sea,  
On the last day of September.

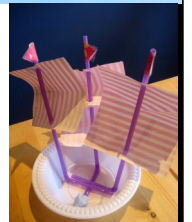

### The Big Ship Sails

## Talk Home Learning

This week we have been reading the story Who Sank the Boat? Your challenge is to make a boat that floats on water. You could make your boat out of recycled materials.

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

This week we learnt about road safety as part of our keeping safe studies.

We investigated various materials to see if they would float or sink.

We built boats out of recycled materials and tested them in the water tray to make sure they float.

This week we have been learning about different occupations.
