

What have we been learning?

Week beginning: Monday 25th March 2024

We have been learning our letters and sounds in phonics.

This week we have been practising using our sounds to complete sentences from the stories we have read. Which word would complete this sentence?

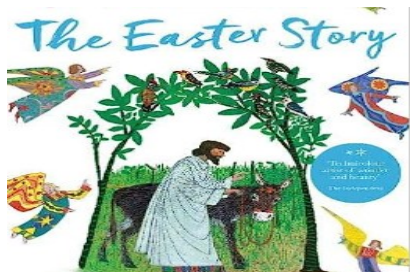

Which sounds would you use to spell this word?

On top of the _____.

Easter

He has Risen.

We have enacted the journey of Easter and remembering what happened on Palm Sunday, Good Friday and Easter Sunday. We know that Jesus gave his life for us and Easter is a time for giving and thinking of others

We have been learning about the story of Easter.

We made Easter and Easter cards. We decorated our Easter eggs and know that the egg is a symbol of new life. We look forward to celebrating Easter with our families and sharing Easter eggs with one another.

How can you help your child with their learning?

Talk to your child with regard to what they see growing around them. Encourage your child to look and describe new signs of life. For example: buds opening on a flowering plant. What things can they do to show kindness, helpfulness and care?
