

What have we been learning?

Week beginning: Monday 16th December 2024

We have been learning our letters and sounds in our phonics lessons. We have been taking part in activities to learn what a digraph is. We remember that a digraph is two letters that make one sound.

After **th**e bath, her mum helps her to brush her teeth.

Can you spot the digraphs in the sentence above? The first two have been done for you.

Time for giving

We know that it is important to share and give to others and have been giving out Christmas cards that we have written at home.

We have been thinking of the things we can do for others.

We know we can also give kindness and be there when people feel lonely.

Advent

We know that we are in the season of Advent.

We have learnt there are four weeks in Advent where we remember and celebrate the **arrival** of Jesus on Earth.

We have been participating in lots of activities to celebrate Advent. We made Advent wreaths. We placed four candles to express hope, peace, love and joy.

We have been expressing these feelings to our families and to each other.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Talk to your child about the good things they have done in their day. How have they helped others? What did they do? How did they show kindness?
