Go shine in
the world

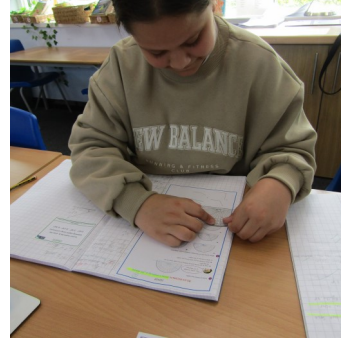

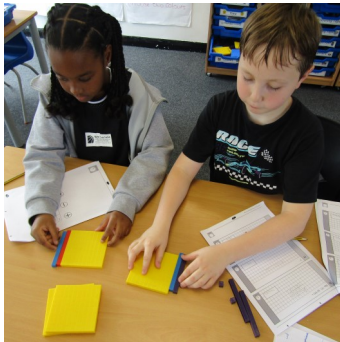

Dear Parents/Carers,
From all of the staff at Our Lady's, we hope that you have had a lovely half term holiday. We look forward to welcoming back the children on Monday 3rd June.
Best wishes,
Miss Toop (Head of School) and Ms Richardson (Executive Headteacher)

Maths at Our Lady's

At Our Lady's Mathematics is taught daily for one hour. In these lessons children engage with maths resources they can use to represent numbers. This brings the learning to life for the children and helps to develop understanding. Children also take part in daily maths fluency practice for 10 minutes in which they work on remembering key knowledge such as number bonds to 10, 20 and 100 and times tables.

Please practise number bonds and times tables daily with your child at home. This will greatly support your child in their daily maths lessons.

Camden Moving On to Secondary School Event - 13th June 2024

Parents of children in current primary school Years 4 and 5 can join Camden's Moving On event at the Francis Crick Institute, in King's Cross.

The event, on **Thursday 13 June, from 4.15 to 6.45pm**, is an opportunity to:

- receive advice on how to apply for a Year 7 place for September 2025 from the Camden Admissions Team
- find out more about what Camden secondary schools have to offer your child
- speak with headteachers, student ambassadors and staff from Camden secondary schools.

The Moving On event is being held a term earlier than usual at the request of Camden secondary headteachers. It is a timed ticket event, so parents should please make sure they arrive for the time they have booked. **Tickets can be book online through Eventbrite.** Moving On is aimed at adults, rather than children, and any children attending are the sole responsibility of their parents.

I have received and read the Our Lady's Primary School newsletter of 24.05.2024

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Our Prayer...

May is the month of Our Lady, Mary.

Holy Mary, mother fair,
Filled with love for
God,
Pray for us in all our
needs.
Pray for us today.
Amen.

Poetry Assemblies

This week at Our Lady's each class has performed a poem in our poetry assemblies.

The children performed confidently showing how they can change their tone of voice, adjust their body language and add actions to bring a poem to life.

Work of the Week!

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

As part of Year 1's English Curriculum, they have been reading, 'Where the Wild Things Are' by Maurice Sendak. Sami has written a fantastic character description. He has included exciting and imaginative adjectives and a range of punctuation. Sami has taken care to write with his very best handwriting!

Well done Sami, we are so proud of you and your beautiful work!

WHERE THE WILD THINGS ARE

STORY AND PICTURES BY MAURICE SENDAK

Attendance...

I am pleased to announce that Year 1 has the best attendance this week with 99.6%. As a reward, you will receive some extra play time next week.

Please make sure your child is in school every single day unless they are too unwell to come to school. Every day counts and children who miss school do fall behind in their learning.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Miss Toop, Miss Fearon or Mr Withers.

Child Online Safety for Parents

- Online workshops for parents with children in Camden schools
- FREE workshops – just pick a time that suits & sign up using the QR code below
