

What have we been learning?

Week beginning: Monday 3rd June 2024

We have been learning our letters and sounds in our phonics lessons. This week we have been listening to digraphs and matching them to the correct words.

Lets get physical!

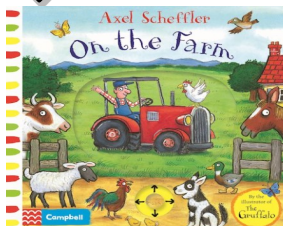

We have been learning to strengthen our physical literacy skills.

This is the motivation, confidence and competence to move. We practised our stretching, running and catching skills.

We engage in activities to develop our physical literacy everyday!

Reading workshop

We shared one of our favourite stories with Nursery. Parents and their children thoroughly enjoyed taking part in the reading workshop this week!

Well done Amelia for your fantastic Maths work for Work of the Week! We are very proud of you.

Our community

We have learnt to care for others in our community who may not have as much as ourselves. One way we have done this is by bringing in food from our homes to add to the schools food bank. Our families have been very generous and considerate.

How can you help your child with their learning?

Play games with your child which encourage them to stretch, bend, hop, run, throw and catch.
