Go shine in
the world

Dear Parents/Carers,

It has been another exciting week at Our Lady's. The sunshine and warm weather has coincided well with our Sports day. KS2 went to Parliament Hill for their sports day whilst KS1 competed in a range of sports games on the school playground. We also welcomed parents in to curriculum presentations in which the children proudly showed the work they have completed this year. Next Friday we are looking forward to seeing you for Academic Review. Appointment letters have gone home in the children's bookbag today.

Have a wonderful and restful weekend.

Best wishes,

Miss Toop (Head of School) and Ms Richardson (Executive Headteacher)

KS2 Sports Day at Our Lady's

Parliament Hill athletics track hosted Year 4, Year 5 and Year 6 for a fun filled sports day. The children competed in a variety of events such as long jump, relay races and target throwing. It was brilliant to see the children work as a team and display their athleticism and determination. Thank you as well to all the parents that came to support. You helped make the day successful and memorable for the children.

Year 4's Curriculum Presentation to Parents

Year 4 invited their parents in to see all of the fantastic work they have been doing this year. Parents had an opportunity to celebrate all of the children's hard work by looking through the children's books, admiring their artwork and the children even used laptops to share photos and PowerPoint presentations they had created

I have received and read the Our Lady's Primary School newsletter of 21.06.2024

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Wednesday 4th September 2024—First day back at school after Summer holidays.

Friendship is one of our nine school values at Our Lady's..

Dear Lord,

May I clothe myself in compassion, kindness, humility, gentleness, and patience. May I be patient with my friends, and may I forgive freely like you have forgiven me. May I shine your light in my friendships, giving glory to you through all that I do, say, and think.

Amen

Colossians 3:12-13

Year 6 at Kew Gardens

Year 6 visited Kew Gardens to take part in the Evolution and Adaption workshop. The children learnt how different plants have adapted to the environment they live in and learnt about the specific features of plants that have developed through evolution over thousands of years.

Work of the Week!

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

As part of 'Looking after our World Studies' Linna and Madiha have worked together to create a beautiful information poster on the subject of deforestation.

They researched online and look at different images for inspiration, then wrote about the problems that deforestation causes. They also recommended solutions that they would implement as good stewards of God's earth.

Well done Madiha and Linna, we are so proud of you and your beautiful work!

Attendance...

I am pleased to announce that Year 6A has the best attendance this week with 95.6%. As a reward, you will receive some extra play time next week.

Please make sure your child is in school every single day unless they are too unwell to come to school. Every day counts and children who miss school do fall behind in their learning.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Miss Toop, Miss Fearon or Mr Withers.
