

# What have we been learning?

Week beginning: Monday 24th June 2024

We have been learning our letters and sounds in our phonics lessons.

phone home

a-e cake  
i-e kite

make a cake

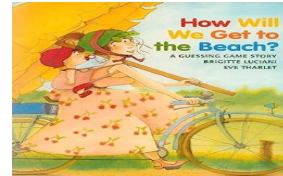

u-e cube, rude  
o-e robe, joke

nice smile

This week children have also been continuing to learn how to read, write and use split digraphs. These are sounds where there are two letters which make one sound but have a letter between them.

## How will we get to the beach?

Our topic is 'Journeys and Transport'. We have been reading and exploring the story 'How will we get to the beach?' We have been talking about the different ways Roxanne and her baby tried to travel to the beach. We have reflecting on our own journeys and the places we have visited.

# Transitions

On Tuesday as part of our transitions the children welcomed the Nursery children to their Reception Class to show them what the Reception Class looks like and experience activities in preparation for September. The Reception children also experienced visiting a Key Stage 1 class to see how the older children learn in preparation for how they will be learning in September when they transition to year 1. The children really enjoyed the experience and were very sensible and mature. They valued meeting the Key Stage 1 Teachers and being part of their classes for the day. All the Teachers were very impressed. Well done Nursery and Reception Class!

## How can you help your child with their learning?

Encourage your child to look the different ways people are travelling in their local area. Which places do they think people may travelling to? Why do they think this?
