

What have we been learning?

Week beginning: Monday 15th July 2024

We have been learning our letters and sounds in our phonics lessons.

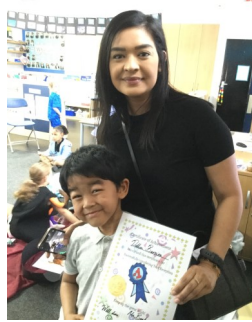

This week we played 'Full Circle' and used our long term memory to spell tricky words faster than we did the last time we played. Our teachers were impressed with how quickly we could spell.

Music Concert

On Friday we sang songs in our Summer Music Concert. Our Parents and Teachers were very proud of how confident we were. Israel and Accacia were very brave to sing as soloists in front of a large audience.

We enjoyed practising of with one another and Mr Bolagi.

Presentation to Parents

This week we performed our End of Year Reception Presentation to our Teachers, Parents and Carers. We retold the story of The Very Busy Spider, singing songs and looking back at memories of our Reception Year. We also told our parents some of the things we have enjoyed during our Reception Year. We gave our Parents a special memory bracelet and our certificates to mark our achievements and the successful completion of our very first year of school. Everybody wished us every success in Year 1.

How can you help your child with their learning?

Talk to your child about the things they have enjoyed this year. Encourage your child to use their long term memory to describe past events. Ask who? what? When and how? Questions.
