Go shine
in the world
and live as
Jesus lived!

Dear Parents and Carers,

As the weather is warming up, please put sunscreen on your child before they come to school and give them a sunhat or cap with their name on it. We will encourage the children to play in the shade if they are getting too hot and there are water fountains so that they can stay hydrated. Please do not send sunscreen into school. Thank you for your help with this.

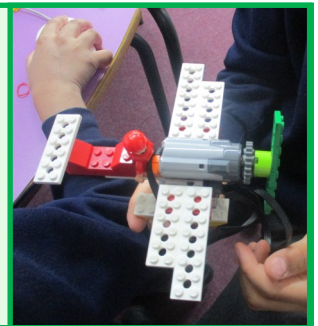

Congratulations to our Year 6 children for completing their SATs this week. We were all very proud of the confidence and maturity they demonstrated during this week - they celebrated with a pizza party this afternoon!

With Best Wishes, Mrs O'Reilly (Head of School) and Ms Richardson (Executive Headteacher)

Year 3 Computing at the Camden City Learning Centre

Year 3 visited the CLC for a Lego WeDo workshop. The class had a fantastic and productive day constructing moving models out of Lego, and creating algorithms to make these models move. Year 3 showed great perseverance, resilience and teamwork while constructing the models, and debugging and problem solving if the model didn't work.

Science Boffins at Our Lady's

Last week, we were visited by the 'Science Boffins' to learn about Gravity and the work of Sir Isaac Newton. The children in Reception to Year 6 attended work shops through out the day. The workshops focused on how forces affect the world around us.

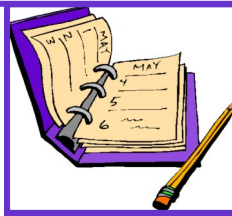

I have received and read the Our Lady's Primary School newsletter of 16.05.2025

Signed _____ Name of child _____ Class _____

Best Attendance this week...

For children to learn well and make good progress, it is vital that they attend school every day.

Congratulations to **Year 5** for having the **BEST ATTENDANCE** this week - **99.31%**

Please make sure your child is in school every single day.

Thank you for your help with this :)

The winner of the Friday newsletter slip prize this week is **Evalyn** in **Y4**.

Evalyn has won a £5 gift voucher to spend in Waterstones.

Person of the Week last week was...!

Reception – Kabel

Year 1 - Caprice

Year 2 - Khadija

Year 3 - Adrian

Year 4 - Albie

Year 5 - Chiara

Year 6A - Kiara

Year 6B - Jahsiah

Work of the Week!

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

In History, Year 4 have been learning about the **Ancient Greeks** and how they have influenced us today.

Naomi was able to describe the difference between a primary and secondary source of information.

Naomi was also able to describe entertainment in Ancient Greece (the Olympics) and the differences and similarities between the Ancient and Modern Olympics.

Well done **Naomi!**

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.
