

# Summer Term Welcome back! What have we been learning?

Week beginning: Monday 21st April 2025

**Look**  

**Say**  

**Cover**  

**Write**  

**Check**  

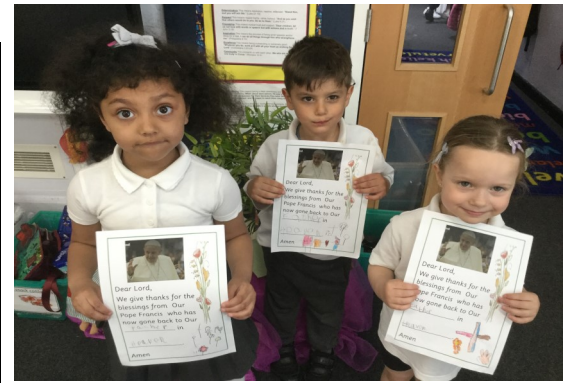

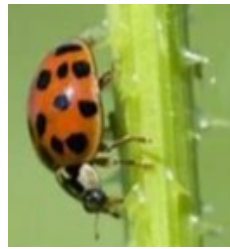

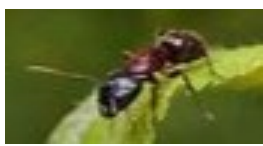

This week in phonics we have been remembering our key words. We have been practising using the look, say, cover, write and check strategy. We have been using these words in the sentences we write. We recognised that there are some key words we use more often than others such as **the**, **was**, is, went, and, **to** & **said**.

We give thanks for the blessings from Our Pope Francis who has now gone back to Our father in heaven.

## Minibeasts!

We have been enjoying learning about our new topic 'Minibeasts' and learning to recognise when we see one. We learnt that a minibeast is a **small animal without a backbone**.

We continue to remember and come together as a community to show kindness and love for one another.

### How can you help your child with their learning?

Ask your child to look for minibeasts around them. Ask them to describe what they look like. Can they name them all?
