

UPDATED 26.9.25

Dev.M observation checkpoint B-3- year olds.	Role play areas inside (Home corner) and outside (Builder's construction site) Daily - days of the week and weather. Makaton gradually introduced for frequently used commands such as stop, no, yes, walk, run, sit down, stand up, finished and signs linked to the topic. Weekly rhyme of the week displayed and sung daily. Bank of rhymes kept in a folder for children to return to. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Check understanding and explain new vocabulary when reading books. Children to be encouraged to talk about what is happening in their environment and give their own ideas.	
Literacy – Reading and Comprehension	Class reading library with a selection of information, topic and choosing books. Selecting books and handling them with care. Daily - Adults reading to small groups and whole class (story times and at the end of the day). Throughout the day topic books being shared with children (books throughout the environment). Regular sharing of books and discussion of children's ideas and responses. Understanding key concepts about print: print has meaning, print can have different purposes and we read English text from left to right and from top to bottom. Weekly home reading books (Autumn 2)	
Word Reading	Phonics- environmental sounds, word reading (print carries meaning), rhyme, initial sounds	
Writing	Provide opportunities in the continuous provision for child-initiated mark making activities e.g. clipboards outdoors, chalks for paving stones, boards and notepads in the home corner. Adult to act as scribe for description of mark making. Daily - writing the day and date (modelled writing) Choosing independent mark making activities each day linked to core book of the week. Children to use IT to mix marks. Children to trace their name.	
Mathematics	Daily - Maths songs, weather & day of the week, sequence of the day. Fast recognition of up to 3 objects (subitising). Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Know that the last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Explore 2D shapes using mathematical language. Make comparisons between objects relating to size & weight. Continuous provision- sand, water and construction	Daily - Maths songs, weather & day of the week, sequence of the day. Recite numbers past 5. Counting objects with one number for each item (1:1 correspondence). Link numerals and amounts. Experiment with marks to represent numbers. Compare quantities using 'more than', 'fewer than'. Explore 2D shapes using mathematical language. Make comparisons between objects relating to size & weight. Talk about and identify patterns. Continuous provision- sand, water and construction.
Core books	5 little ducks - Child's play Dear zoo by Rod Campbell The smartest Giant in Town by JD by Eileen Brown Handa's hen	One mole digging a hole by Julia Donaldson The Three Billy Goats Gruff When Frank was 4 by Alison Lester 5 little men in a flying saucer – Child's play
Understanding the World	Ongoing- Festivals and celebration of the world, community & culture - Autumn, Harvest, Diwali, Birthdays, Bonfire Night, Chinese New Year. Weekly – environment small world linked to the core book. Using their senses in hands-on exploration of natural materials. Explore collections of materials with similar and/or different properties. Talk about what they see using a wide vocabulary. Begin to make sense of their own life-story and family's history. Explore how things work. Continue developing positive attitudes about the differences between people. Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.	

Core Books	Ketchup on Your Cornflakes Titch Knuffle Bunny Shark in the Park Shark in the Park on a Windy Day We're going on a bear hunt Naughty Bus Down at the Station Dear Zoo Handa's Surprise	Platypus and the Birthday party The Diwali Story The Quiet Little Firework Shark in the Dark! Oh no! Shark in the Snow Goldy Luck and the Three Pandas Hanukkah Bear Lanterns and Firecrackers The Nativity Story	
Visits / Visitors	CL and UW: Small groups in the school grounds, looking at the signs of Autumn		CL and L: Visit a local library Reading: Visitor Book Start Workshop
Physical Development Dev.M observation checkpoint B-3 year olds.	Continuous provision- sand and water and construction. Outdoor Continuous Provision –Outdoor opportunities to move freely, explore surroundings and build independently. Children guided to match their physical skills to tasks, deciding whether to run, crawl, jump or run. Continuous Provision –different materials and tools to develop manipulation and control. Group activities in teams lead by teachers guiding children confidence to be more independent. Large and small motor skills–Daily- dressing and undressing, eating habits Weekly - fine motor skill activities -Finger Gym Weekly – large muscle movements - Busy Feet Continuous provision - Messy play/soft dough activities, painting & chalking on vertical surfaces (easels and walls), waving flags and streamers. Continuous provision using one- handed tools, developing a comfortable tripod grip holding pens and pencils.		
Expressive Arts & Design	Continuous provision- Junk Modelling. Continuous provision- Messy play/soft dough activities. Activities relating to the book of the week – painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Artist focus – Paul Klee (shape and colour).	Continuous provision- Junk Modelling. Continuous provision- Messy play/soft dough activities. Activities relating to the book of the week - painting, collating, drawing, sculpting. Weekly – rhyme of the week. Daily – rhyme time (sing a selection of tradition and modern nursery rhymes). Colour mixing and tints & shades. Weekly-Singing session – Music teacher (listening to sounds, pitch, tone, melody, melodic shape & learning entire songs) Nativity Performance to Parents. Artist focus: Piet Mondrian (colour and shape)	
Computing	Children engage in computing activities in all areas across the EYFS curriculum. Set up the routine-10-minute timer. Basic keyboard and mouse skills. Using the programs-Busy Things, Posisson rouge, 2 paint a picture.		
Music	Singing nursery rhymes/clapping very basic rhythms on call and response/ listening to live music (visiting musicians once a half term and termly live concert) and recorded music (pop music and Christmas songs)		
R.E. - Catholic	Branch 1: Creation and Covenant		Branch 2: Prophecy and Promise
R.E - Anglican	Who made the wonderful world and why?		Why is Christmas special for Christians?

Topic:		Traditional Tales							All Around Me			
Role Play Areas		Continuous provision- Imaginary Play - Shop (bakery, shoe shop), doctor surgery (inside) (https://childrens.poetryarchive.org/explore/page/4?form=241) Continuous provision- Role play- Home corner, police station, fire station (outside)										
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Topic Focus Woven throughout the term:	Farm Animals	Food that comes from the farm	Homes Materials and change		Making choices Conflict and resolution, teamwork		Water/ Boats	People who help us – School and wider community		Seasons and the Weather		Easter
Core Books	The Little Red Hen	The Gingerbread Man	The Three Little Pigs	Goldilocks and the Three Bears	The Three Billy Goats Gruff		Who Sank the Boat? by Pamela Allen	Whatever Next by Jill Murphy Non-fiction: Meet the planets by Caryl Hart		Rechenka's Eggs by Patricia Polacco Tree: Seasons Come, Seasons Go by Patricia Hegarty		The Easter Story
Nursery Rhymes BBC rhymes	Old Macdonald had a farm	I am the baker man	London Bridge is falling down	When Goldilocks went to the house of the bears	The goats came marching		The big ship sails on the alley alley oh	Zoom, Zoom Zoom Hickory Dickory Dock		My Hat! By Tony Mitton Mary, Mary quite contrary		Five currant buns
Personal, Social and Emotional Dev.M observation checkpoint 3&4 year olds.	Ongoing- classroom routines and boundaries – Supported with visuals of children demonstrating that rule/routine. Reward systems: sticky labels with comments written. Developing intimate care routines + key person and extended to other familiar adults. Focus on and consistently reinforce positive models of behaviour, positive models for relationships, thinking space, staff language for dealing with behaviour, child language for dealing with conflict, restorative conversations for resolving conflict. Continue with child self-registration. Activities to develop relationships, making friends, sharing and turn taking, dealing with conflict. Model Phrases “Can I have a turn? Or “My turn next.” Helping children develop positive attitudes towards diversity and inclusion. Ask questions and answer children straight forwardly about differences in skin colour, hair colour, gender, special needs and disabilities. Talking about their feelings using more elaborated ways like 'I'm happy because...', 'sad', 'angry' or 'worried because...' Support children to increase independence when selecting activities and resources. Cooking activities planned for relating to rhymes and book of the week. Ongoing-Health and self-care skills. Toileting, feeding dressing. Oral health.											
Communication and Language	Ongoing- Speaking, listening and responding skills. Vocabulary linked to book of the week and topic. Children use speech sounds p, b, m,w. l/r/w/y f/th s/sh/ch/dz/j											

UPDATED 26.9.25

Dev.M observation checkpoint 3&4 year olds.	Introduce words of the week - displayed on vocabulary wall (text and picture). Children encouraged to use Multi-syllabic words such as 'banana' and 'computer'. Children learn words in context. Children develop conversation with teachers and peers. Children given at least 10 seconds processing time when responding to simple questions. 'who', 'what' and 'where' as appropriate. Dev.M observation checkpoint Birth to three year olds can the child use around 300 words, including descriptive language? Are they linking 5 words and using pronouns 'me', 'him', 'she'. Do they follow instructions with three key words? Ongoing-Puppets and small world relating to the core book of the week and topic. Role play areas inside (bakery, shoe shop, doctor's surgery) and outside (Home corner, police and fire station) Daily - days of the week and weather. Makaton practised for frequently used commands such as stop, no, yes, walk, run, sit down, stand up, finished and signs linked to the topic. Weekly rhyme of the week displayed and sung daily. Bank of rhymes kept in a folder for children to return to. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Check understanding and explain new vocabulary when reading books. Daily talk to extend children's vocabulary and explaining unfamiliar words and concepts from the books that they read. Science	Properties and changes of materials We are learning to compare and group together everyday materials based on their properties.	Properties and changes of materials We are learning to investigate which materials are thermal conductors.	Properties and changes of materials We are learning to give reasons, based on evidence from fair tests, for uses of everyday materials.	Properties and changes of materials We are learning to test which materials will dissolve in liquid to form a solution.	Properties and changes of materials We are learning to investigate variables that affect the rate of sugar dissolving.	Properties and changes of materials We are learning to separate insoluble substances from a mixture and demonstrate that mixing is reversible.		Properties and changes of materials We are learning to separate soluble substances from a solution and demonstrate that	Properties and changes of materials We are learning to demonstrate that changes of state are reversible	Properties and changes of materials We are learning to explain that some changes result in new materials forming and are not usually reversible-mixing.	Properties and changes of materials We are learning to research how chemists create new	

								dissolving is reversible.	e changes .	usually reversible-burning.		materials .	
History The Viking and Anglo Saxon struggle for England	We are learning to know the time and place of the Viking invasion and settlement in Britain	We are learning to underst and why the Vikings came to Britain	We are learning to analyse historical sources. History: Visitor-History Off the page Company, 'The Vikings' http://www.historyoffthepage.co.uk	We are learning to explain why Alfred the Great was importa nt for the Anglo-Saxon struggle for Britain	We are learning to explain how the Anglo-Saxons and Vikings struggled for Britain.	We are learning to explain how the Anglo-Saxons and Vikings struggled for Britain.		Taught in 1 st half of term					
Geograp hy 1.How do oceans and rivers shape the land? 2.Why does the climate change around the world?	Taught in 2 nd half of term							We are learning to understa nd the threats to the ocean environm ent	We are learning to understa nd that there are 7 seas and how they are useful	We are learning to understa nd how rivers shape the land.	We are learning how rivers can be controlled	We are learning to understa nd lines of latitude and longitude	We are learning to understa nd how the climate changes worldwid e
Art and design	Drawing (Skills and Techniq ues) We are learning to draw in 3D.	We are learning to draw house from the past and present.	We are learning to learn techniques for drawing trees.	We are learning to draw a country side landsca pe.	We are learning to draw portraits in different styles and compare them.			Painting (Flowers) We are learning to explore the use of flowers in art. We are learning petal painting techniques.	We are learning to practice painting skills using a variety of tools and techniqu es.	We are learning to draw and paint from observation	We are learning to paint using our imagination	We are learning to reproduce a well-known painting.

Science	Earth and Space We are learning to describe the shape of the Earth, Sun and Moon.	Earth and Space We are learning to describe the movement of the Earth around the Sun and the Moon around the Earth.	Earth and Space We are learning to use a model of the solar system to describe the movement of planets.	Earth and Space We are learning to explain how the Earth's rotation results in day and night.	Earth and Space We are learning to identify the phases of the Moon and explain why these occur.	Earth and Space We are learning to research scientific theories from the past about the solar system.		Living Things and their Habitats We are learning to describe the life cycle of a mammal.	Living Things and their Habitats We are learning to describe the life cycle of an amphibian and describe differences with other animals.	Living Things and their Habitats We are learning to describe the life cycle of an insect and describe differences with life cycles of other animals.	Living Things and their Habitats We are learning to describe the life cycle of a bird and describe differences with life cycles of other animals.	Living Things and their Habitats We are learning to compare the life cycles of animals in the local environment.

									other animals.		ment with other animals around the world.
History Changes to Britain and London during the Industrial Revolution	We are learning to know the time and place of the Georgian and Victorian era Visit to the Museum of London, 'Timeline London' guided walk and museum visit	We are to understand the difference between life for the rich and poor in Victorian London	We are learning to understand the impact of the industrial revolution on London	We are learning to understand the working conditions for children in Victorian London	We are learning to understand why people moved from rural areas to cities like London in the Victorian era	We are learning to understand why people moved from rural areas to cities like London in the Victorian era	Taught in 1 st half of term				
Geography What is it like to live in a city?	Taught in 2 nd half of term						We are learning to understand and how cities are changing	We are learning to understand how London has grown and changed over time.	We are learning to understand different types of industry	We are learning to understand what causes pollution and investigate clean energy in our area.	We are learning about renewable and non-renewable energy
Art and design	Sculpture (Abstract Sculptures) We are learning to explore abstract	We are learning to make watercolour studies of Kandinsky's work.	We are learning to develop ideas for a sculpture.	We are learning to construct an abstract sculpture.	We are learning to add colour to a sculpture. We are learning to review and		Printing (Exploring Surfaces) We are learning to	We are learning to explore printing on a range of paper surfaces.	We are learning to make prints using the intaglio method.	We are learning to explore texture in print.	We are learning to bring our printing learning together to make
