Go shine
in the world
and live as
Jesus lived!

Dear Parents and Carers,

What a lovely week of sunshine we have had at Our Lady's! Please remember to provide your children with a sun hat, sunglasses and apply sunscreen before school during this period of hot weather.

There are lots of exciting events happening at Our Lady's this term. Please see the back of the newsletter to make a note of key dates for events like Sports Day, Academic Review Day, Summer Music Concert etc. Please remember to purchase your Summer BBQ tickets from the school office.

With Best Wishes, Mrs O'Reilly (Head of School) and Ms Richardson (Executive Headteacher)

Science Boffins

The whole school enjoyed taking part in exciting science workshops hosted by the Science Boffins. During the sessions, the children explored the fascinating science behind optical illusions and discovered how our brains can sometimes be tricked by what we see! They also learned about camouflage and how our senses work together to help us understand the world around us!

Year 1 Visit London Zoo!

Year 1 had an exciting trip to the Zoo to learn about different animal groups and their habitats. The children observed mammals, birds, reptiles, and amphibians, and discovered how each group is suited to its environment. The visit provided a fun and engaging opportunity to bring their science learning to life.
