What have we been learning in the Nursery?

Friday 1st May 2026

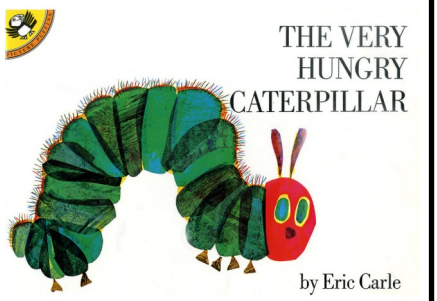

Summer Term

During the Summer term we are learning about plants and animals and how they grow and change.

In the Week

This week we read The Very Hungry Caterpillar.

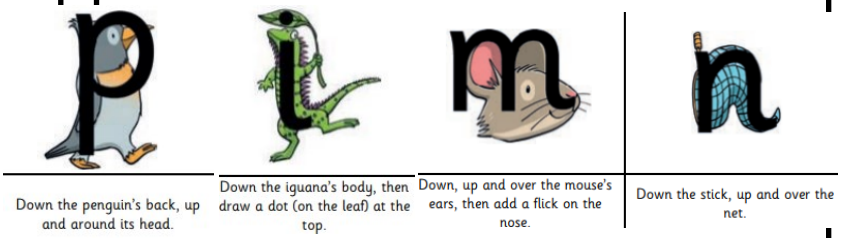

Phonics

This week we have been learning the sound 'v'.
What words start with the sound 'v'?
We have also been learning to write the letters 'p', 'i', 'n' and 'm' with correct letter formation. Can you practise this at home?

Rhyme of the Week

Tiny Caterpillar

There's a tiny caterpillar on a leaf.
Wiggle wiggle.
There's a tiny caterpillar on a leaf.
Wiggle wiggle.
There's a tiny caterpillar, tiny caterpillar.
There's a tiny caterpillar
on a leaf.
Wiggle wiggle.

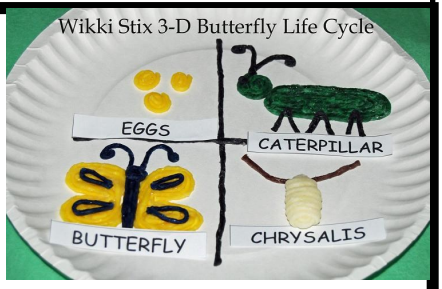

Please practise this rhyme with your child.

Talk Home Learning

This week we read the story **The Very Hungry Caterpillar.** Your challenge is to learn about the life cycle of a butterfly and then draw or make a 3D model of the different stages (egg, caterpillar, chrysalis and butterfly).

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don’t let a little worry turn into a big one…

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Robbins or Mrs O’Reilly.

We are always really pleased to meet with you and chat things through.

Our caterpillars have been growing bigger.

We made butterflies and drew life cycles.

We made our own very hungry caterpillars!

We dressed up and acted out the story.
