What have we been learning in the Nursery?

Friday 6th February 2026

Spring Term

During the Spring term we are learning about Traditional Tales.

In the Week

This week we have been reading The Three Billy Goats Gruff.
We enjoyed retelling the story, especially when the goats went *trip, trap, trip, trap* over the rickety bridge.

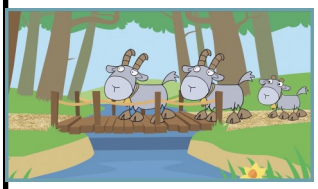

Rhyme of the Week

The Goats Came Marching

The goats came marching one by one, hurrah! Hurrah!
The goats came marching one by one, hurrah! Hurrah!
The goats came marching one by one,
The little one stopped...to bask in the sun.
Then they all came marching, over the rickety bridge.

The goats came marching two by two, hurrah! Hurrah!
The goats came marching two by two, hurrah! Hurrah!
The goats came marching two by two,
The little one stopped...to look at the view.
Then they all came marching, over the rickety bridge.

The goats came marching three by three, hurrah! Hurrah!
The goats came marching three by three, hurrah! Hurrah!
The goats came marching three by three,
The little one stopped...to sit by a tree.
Then they all came marching, over the rickety bridge....
Rickety bridge!

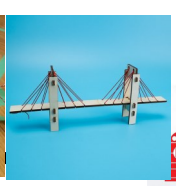

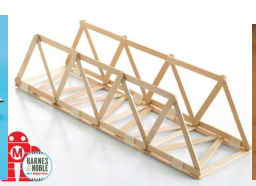

Please practise this rhyme with your child.

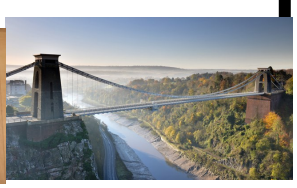

Home Learning—STEM Challenge for Budding Engineers!

This week we have been reading the story The Three Billy Goats Gruff. Your challenge is to research different bridges from around the world and design and make your own bridge using recycled materials. Be sure to test your bridge. Is it strong enough to hold the weight of a figure or small goat toy?

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don’t let a little worry turn into a big one…

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Withers or Mrs O’Reilly.

We are always really pleased to meet with you and chat things through.

We made bridges out of a variety of different materials.

We drew goats and trolls.
