What have we been learning in the Nursery?

Friday 8th May 2026

Summer Term

During the Summer term we are learning about plants and animals and how they grow and change.

In the Week

This week we continued reading The Very Hungry Caterpillar.

Phonics

This week we have been learning the sound ‘w’.
What words start with the sound ‘w’?
We have also been learning to write the letters ‘d’, ‘g’ and ‘o’ with correct letter formation. Can you practise this at home?

Round the duck's body, up to its head and down to its feet.

Round the goat's face, up to his ear; down and curl under his chin.

All around the octopus

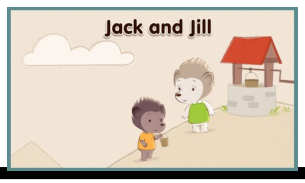

Rhyme of the Week

Jack and Jill

Jack and Jill went up the hill
To fetch a pail of water.
Jack fell down and broke his crown,
And Jill came tumbling after.

Up Jack got, and home did trot,
As fast as he could caper,
He went to bed to mend his head,
With vinegar and brown paper.

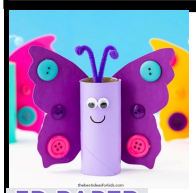

Please practise this rhyme with your child.

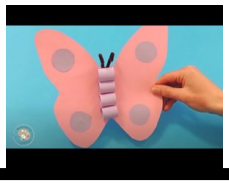

Talk Home Learning

This week we read the story **The Very Hungry Caterpillar.** Your challenge is to make a 3D model of a butterfly.

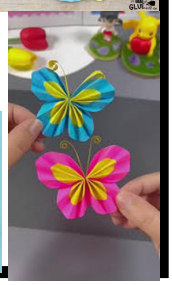

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don’t let a little worry turn into a big one…

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Robbins or Mrs O’Reilly.

We are always really pleased to meet with you and chat things through.

We did giant fruit threading.

We found a green caterpillar and enjoyed holding and observing it.

We made our own 3D caterpillars using egg cartons!

We sequenced the story.
