

What have we been learning?

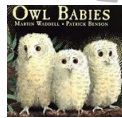

Week beginning: Monday 30th September 2024

We have been learning our letters and sounds in our phonics lessons. This week in phonics we have been learning the sound 'a'.

Which words can you think of that have this sound in them?

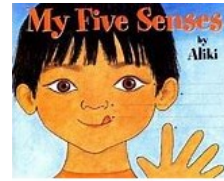

Owl Babies

As a class we retold one of our favourite stories 'Owl Babies'. We enacted the story and retold the events which happened using story language.

Our 5 Senses

We have been learning about our 5 senses. We have been naming the things we can 'see', 'feel', 'touch', 'smell' and 'hear'. We know we can use our 5 senses to learn about the world around us. We also know that we use more than one sense at a time.

How can you help your child with their learning?

Talk to your child about the different senses. Can they name some of them? Can they name all 5? Encourage them to notice the senses they are using when they are, for example, eating, singing, cooking or playing etc.
