What have we been learning in the Nursery?

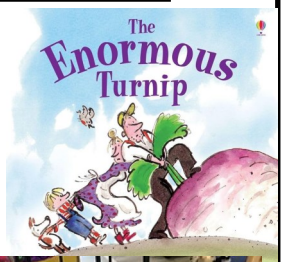

Friday 13th February 2026

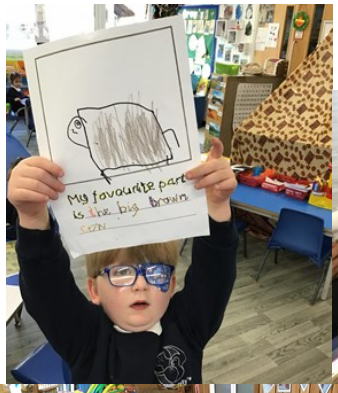

Spring Term

During the Spring term we are learning about Traditional Tales.

In the Week

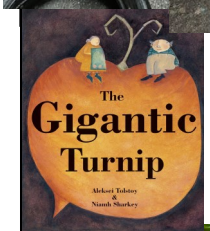

This week we have been reading The Enormous Turnip.

Academic Review Day

Academic Review Day takes place on Friday 27th February. There is no Nursery on this day but please come in with your child to meet with the teacher at your allocated time. If you have any questions please speak with Miss Wilkie.

Rhyme of the Week

Round and Round the Garden

Round and round the garden,
Like a teddy bear,
One step, two step,
Tickle you under there!

Please practise this rhyme with your child.

Home Learning

This week we have been reading the story The Enormous Turnip. Your challenge is to talk with your child about their favourite vegetable. You might go to the shop to buy one and use it to make something delicious at your house. They could also draw a picture of it and bring it along to share with their class.

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don’t let a little worry turn into a big one…

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Withers or Mrs O’Reilly.

We are always really pleased to meet with you and chat things through.

This week in Maths we have been learning about 2D shapes. We learnt diamond/rhombus, kite and crescent.

We have been learning about different feelings. We made Colour Monsters to show our feelings.

This week we have been learning about forces. These include pushing, pulling, spinning and magnetic forces.
