What have we been learning in the Nursery?

Friday 15th May 2026

Summer Term

During the Summer term we are learning about plants and animals and how they grow and change.

In the Week

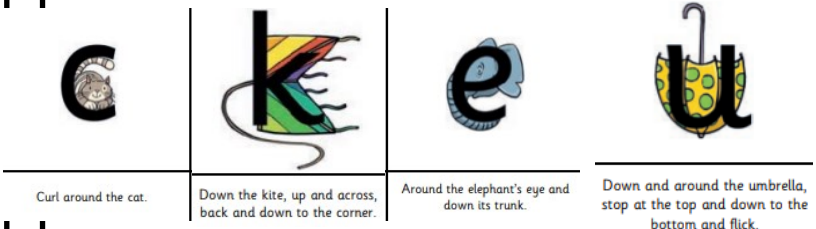

We read the story Aaaarrgghh, Spider!

Phonics

This week we have been learning the sound 'y'.
What words start with the sound 'y'?
We have also been learning to write the letters 'c', 'k', 'e' and 'u' with correct letter formation. Can you practise this at home?

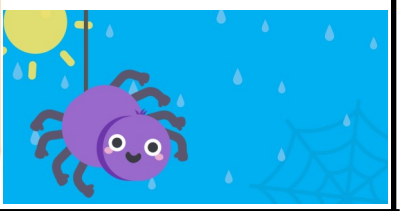

Rhyme of the Week

Incy wincy spider

Incy wincy spider climbed up the waterspout,
Down came the rain and washed the spider out,
Out came the sun and dried up all the rain,
So Incy wincy spider climbed up the spout again.

Please practise this rhyme with your child.

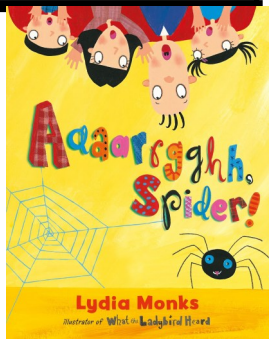

Talk Home Learning

This week we read the story **Aaaarrgghh, Spider!** Your challenge is to go on a minibeast hunt to see what interesting minibeasts you can find. *Remember to be safe and don't try and touch anything that might hurt you.* Take photos and draw your favourite minibeast to share with the class.

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don't let a little worry turn into a big one…

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Robbins or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

We used natural materials to make mini-beasts.

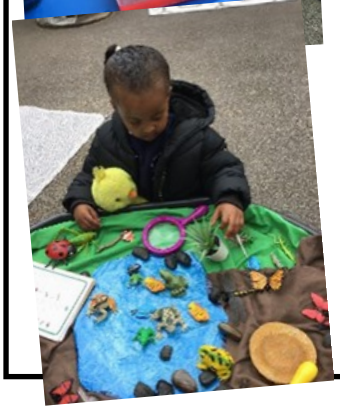

We drew spider webs.

London Zoo Trip

Just a reminder that next Thursday 21st May Nursery will be visiting London Zoo. Thank you to all the parents that volunteered to accompany us. All parents attending have been informed. If you have any questions please ask Miss Wilkie.

We printed mini-beasts and then painted their environments.
