

What have we been learning in the Nursery?

Friday 24th April 2026.

Summer Term

During the Summer term we are learning about plants and animals and how they grow and change.

In the Week

This week we read Oliver's Fruit Salad. We acted out the story and even made our own fruit salad!

Phonics

This week we have been learning the sound 'j'.

What words start with the sound 'j'?

We have also been learning to write the letters 's', 't' and 'a' with correct letter formation. Can you practise this at home?

Under the snake's chin, slide down and round its tail.

From the tiger's nose to its tail, then follow the stripe across the tiger.

Around the astronaut's helmet and down into space.

Rhyme of the Week

Wiggly Woo

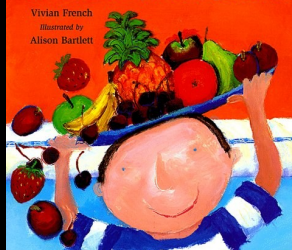

There's a worm at the bottom of my garden
And his name is Wiggly Woo
There's a worm at the bottom of my garden
And all that he can do -
Is wiggle all night...
And wiggle all day...
Whatever else the people do say;
There's a worm at the bottom of my garden
And his name is Wiggly Woo.

Please practise this rhyme with your child.

Oliver's Fruit Salad

Talk Home Learning

This week we read the story **Oliver's Fruit Salad**. Talk with your child about what their favourite fruits are and write a list of them. Then take your child shopping to buy their favourite fruits using the list you wrote together. When you get home use the fruit to make fruit salad. Bring in your shopping list and take photos of when you were shopping, making and eating your fruit salad. Photos can be emailed to admin@ourladys.camden.sch.uk

All work that is sent into school will be shared with the class and displayed on our home learning wall.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Robbins or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

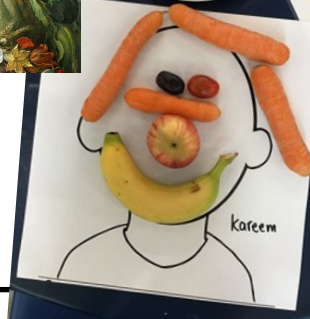

We used lots of different fruits to make our fruit salad. It was very colourful and delicious to eat.

On Monday some caterpillars arrived and we have been carefully observing them.

We used fruits to make faces like the artist Giuseppe Arcimboldo.

We collected the seeds from various fruits such as strawberries, kiwi, apples and tomatoes.
