Introducing our Student Chaplaincy Team at Our Lady's...

Congratulations to the following children, chosen as Student Chaplains this year:
Roman and Zairah (Y1), Shaye and Zayn (Y2), Sasha and Emmanuel (3), Gracie and Kyle (Y4), Joshua and Ivy-Rose (Y5), Ange-Michel and Evalyn (Y6)
These children will be role models who model our Christian Values of compassion, community, determination, excellence, friendship, honesty, inspiration, integrity and respect.

The aims of the Chaplaincy Team are to:
· Help the school to grow as a community of faith
· To continue to involve pupils in fund-raising for charities
· Encourage the children to live their faith in their daily lives
· To support Liturgy, prayer and the spiritual life of the school,
· To support the school community to live the virtues of Catholicism
· To continue to develop strong links with our school parish and Fr Mark

Computing - Year 6 visit to the Camden Learning Centre (CLC)

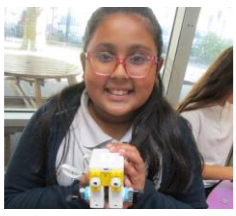

Our **Year 6 pupils** recently took part in an exciting, hands-on workshop using **LEGO Education SPIKE Prime**. This specialised learning kit combines standard LEGO building with clever technology, including motorized parts, sensors, and a programmable 'brain' block that brings creations to life.
During the session, the children developed valuable **computer coding skills** to make their LEGO models move and follow specific commands. Once they mastered the basics, they let their **creativity take over** - designing and building objects and programming them to perform various actions.

I have received and read the Our Lady's Primary School newsletter of 09.10.2026

Year 3 - Ariya
Year 4 - Kyle
Year 5 – Ronnie-Lee
Year 6 - Adil

Work of the Week!

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

This week, **Year 2** have been reading *The Tiger Who Came to Tea* by Judith Kerr.
The children have followed the tiger's exciting journey from his unexpected arrival at Sophie's door, through his very hungry tea party, to his departure in search of more food!

Noah confidently created his own Lost Poster, using descriptive adjectives and key vocabulary to bring the tiger to life and help us find him!

Noah also retold the tiger's mischievous adventure, capturing the key events and adding detail!
Well done, Noah!

Don't let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mrs Robbins, Ms Mahon or Mrs O'Reilly. **We are always really pleased to meet with you and chat things through.**
