

Summer Term Welcome back! What have we been learning?

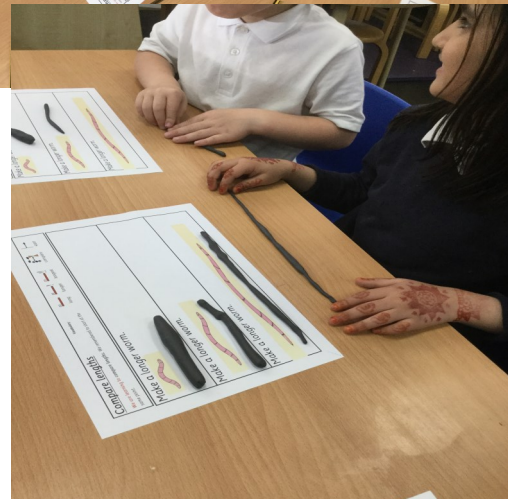

Week beginning: Monday 21st April 2026

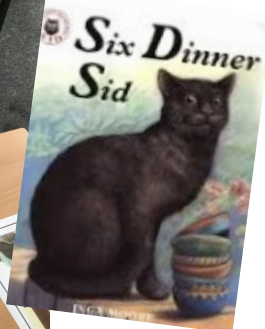

This week in phonics we have been remembering our key words. We have been practising using the look, say, cover, write and check strategy. We have been using these words in the sentences we write. We recognised that there are some key words we use more often than others such as **the**, **was**, **is**, **went**, and, **to** & **said**.

long, longer, longest!

We have been learning about length. We made worms using plasticine and tried to make a longer worm than our partner.

1 more

This week we solved problems to find 1 more. We used a ten frame and related our problem solving to the story 'Six dinner Sid'.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Encourage your child to make comparisons at home. to compare length and height. Does your child have a longer scarf than you? Who is the tallest in your family? Who has the longest hair? How do they know? Have conversations with your child.
