# What have we been learning?

## Week beginning: Monday 6th July 2026

We have been learning our letters and sounds in our phonics lessons.

This week we played 'Full Circle' and used our long term memory to spell tricky words faster than we did the last time we played. Our teachers were impressed with how quickly we could spell.

## Music Concert

We sang songs in our Summer Music Concert. Our Parents and Teachers were very proud of how confident we were. Children were very brave to sing as soloists in front of a large audience. We enjoyed singing with Mr Bolagi and The Band!

## Presentation to Parents

This week we performed our End of Year Reception Presentation to our Teachers, Parents and Carers. We retold the story of The Very Hungry Caterpillar, singing songs and looking back at memories of our Reception Year. We told our parents some of the things we have enjoyed during our Reception Year we have achieved a special milestone to mark our the successful completion of our very first year of school. Everybody wished us every success in Year 1 and we thanked everyone for helping us grow.

## How can you help your child with their learning?

Talk to your child about the things they have enjoyed this year. Encourage your child to use their long term memory to describe past events. Ask who? what? When and how? Questions. What are they looking forward to next year?
