What have we been learning?

Week beginning: Monday 7th October 2025

We have been learning our letters and sounds in our phonics lessons. This week in phonics we have been learning the sounds ‘t’ and ‘p’.

Sort these words into the two sound groups.

ten pan pig top pip tall tip

Rhyme time!

In Reception class we have been singing counting rhymes and songs. We sang the rhyme ‘5 little ducks’.

We remembered to count how many ducks were left when 1 was taken away each time. We enjoyed enacting the rhyme, counting backwards and using number cards to help us.

Music

Don’t let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O’Reilly.

We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Read stories regularly with your child. Have conversations about the stories you read. Ask your child to give their opinion on how the characters behaved in the story. Would they have behaved that way? Would they have behaved in a different way?
