What have we been learning?

Week beginning: Monday 13th July 2026

Camley Street Natural Park

We had a wonderful time at Camely Street Natural Park. We walked on a trail around the park and learnt about all the natural habitats of plants and animals. We enjoyed ourselves and even took park in some pond dipping! Thank you.

We did it!

Wow!

Well done! Reception you have completed your Reception Year and you are now ready for Year 1!! Well done for all your hard work, courage and dedication this year. We hope you have a wonderful Summer holiday and look forward to seeing you in the New School year. Congratulations!

How can you help your child with their learning?

Remember to complete your 'Holiday Homework' for your new teacher. Mrs Mamouri. Keep practising all the skills you have learnt over the year. Read interesting stories, play games and number puzzles, create and explore the world around you. Enjoy the time with your families and have a good rest!
