# What have we been learning?

## Week beginning: Monday 15th September 2025

We have been learning our letters and sounds in phonics.

We continue to practise our listening skills and practise recognising sounds in our names and familiar words.

**I can write my name.**

**We know that a capital letter is needed for the initial letter of our name.**

## Storytime

Every afternoon we enjoy Storytime whereby we can choose our own stories and share them with our friends and teachers.

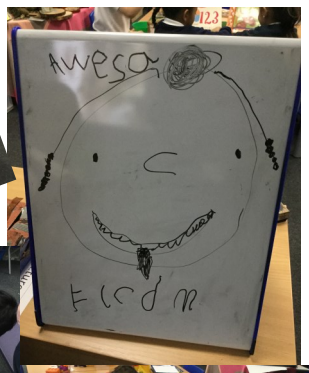

This week we have been reading familiar stories. Many children chose stories they have read at home. We found out that the story 'Ketchup on your cornflakes' was one of our favourite class stories.

## Ourselves

We have been learning about 'Ourselves'. We know that we are all different and have characteristics which make us unique.

Some children in our class are taller than others. Some children have black hair and some have blond hair. Some children have curly hair and some have straight hair.

We have been learning our friends names and saying what is great about each other.

**Don't let a little worry turn into a big one...**

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.

**We are always really pleased to meet with you and chat things through.**

## How can you help your child with their learning?

- Encourage your child to find lots of objects beginning with the same sounds.
- Ask your child to say what they have in common with members of their family. Do they have the same hair or eye colour?
