What have we been learning?

Week beginning: Monday 18th May 2026

This week in phonics we have been reading words with the 'igh' sound in them.
We know that we usually see this sound in the middle of words.

igh

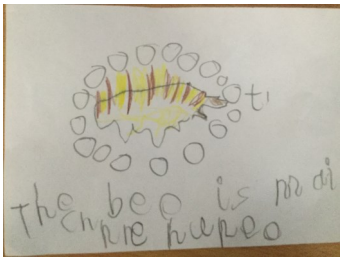

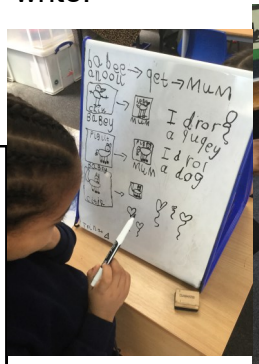

high night
light fright
bright might

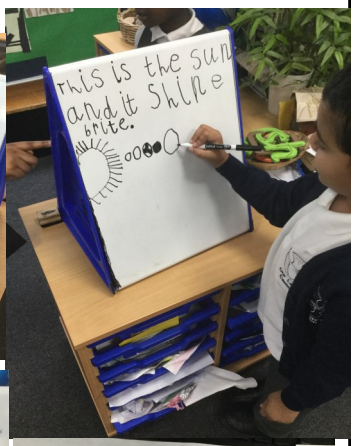

Sometimes you will also see this sound at the end of words also.

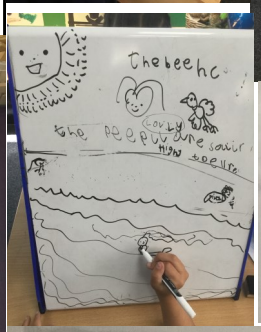

writing

We have been practising our writing skills. We have learnt to use our phonics and literacy skills to write.

Building and stacking

This week Year Reception have been learning to build and draw representations of our models.

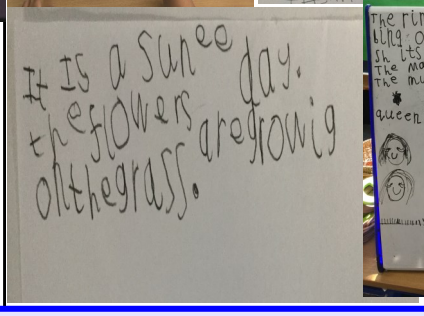

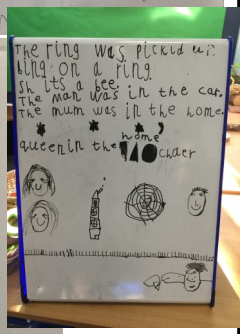

Don't let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.
We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Go for a walk with your child. Take some pencils and paper. Ask your child to draw something they can see and write about it. Help them to draw familiar shapes to represent hat they see. What other detail could they add to their pictures.?
