What have we been learning?

Week beginning: Monday 19th January 2026

We have been learning our letters and sounds in our phonics lessons.

We have been learning to read different digraphs in words and spot them in sentences.
We have been completing phoneme spotters.

Mary

We have been celebrating Mary as a loving and special person chosen by God. We enacted Mary in role-play.
We remember the Angel Gabriel's visit (The Annunciation), the journey to Bethlehem, the birth of Jesus in a manger, and Mary as a nurturing mother.

Sorting

We have been sorting in different ways. We have comparing objects, discussing how objects are the same and different. We have been creating their own sorting rules.

How would you sort these objects?

Don't let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.
We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Engage in Maths activities at home. Encourage your child to collect different sorts of objects and look at their similarities and differences. Help your child group objects by the things that look the same and those which are not.
