What have we been learning?

Week beginning: Monday 22nd September 2025

We have been learning our letters and sounds in our phonics lessons. This week in phonics we have been

star

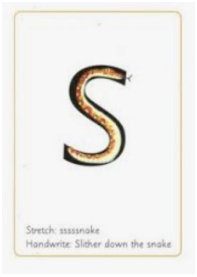

snake

sun

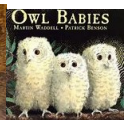

learning the sound

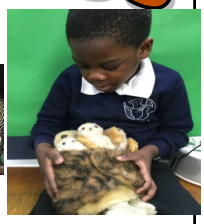

's'.

Owl Babies

As a class we retold one of our favourite stories 'Owl Babies'. We enacted the story and retold the events which happened using story language.

Our wonderful world!

In our Religious Education Lessons we have been learning about our wonderful world. We have been naming many things such as the people, plants, animals, land, sea and space which God created and how thankful we are to have them.

"The owl mother swooped through the night."

Don't let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.
We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Reading helps your child's wellbeing, develops imagination and has educational benefits too. Just a few minutes a day can have a big impact . Try to read to your child every day. It's a special time to snuggle up and enjoy a story. Stories matter and children love re-reading them and exploring the pictures. Try adding funny voices to bring characters to life.
