What have we been learning?

Week beginning: Monday 23rd February 2026

We have been learning our letters and sounds in phonics.

This week one of the sounds we have been learning is the letter sound ck.
We have been spotting this sound in words.

We have had to remember, even though each letter makes the same sound you only need to say that sound once.

Looking after our world

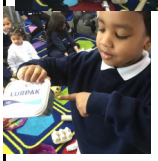

We have been learning to know the ways we look after our environment and the world around us. We have learnt we should not 'litter' and discussed what happens to our rubbish and how we can recycle

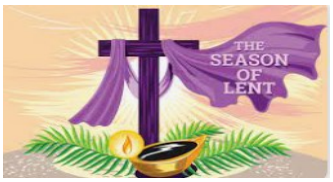

Awesa knew why it was important to look after our world and talked about her experiences when visiting Sudan. She found Sudan on the globe and drew a picture of the countries Sudan and Chad.

Well done Awesa!

Lent

We have begun the season of Lent. In Reception Class we have been learning that Lent is a time where we try to grow in a special way as Jesus did.

Reception Class have been learning about Lent. They know that Lent has begun and that Lent begins on Ash Wednesday.

Our Lenten Promises

They have been learning that Lent lasts forty days and have been listening to the Bible scripture of Jesus praying in the desert. Reception Class have been introduced to the idea of Lent and during Lent and Easter they will be on a journey with Jesus. They have been discussing how we prepare for Lent and some of the things we need to do on Lenten Journey.

What would be your Lenten promise?

How can you help your child with their learning?

- Ask your child to think of all the things they did in the day. What did they do that was helpful to another? How did they show kindness to another? Praise them for doing so explaining their acts have brought joy to another.
