What have we been learning?

Week beginning: Monday 24th November 2025

We have been learning our
letters and sounds in phonics.
This week we have been learning the sounds ‘h’ and ‘r’.
How are these sounds different?

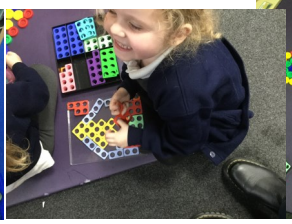

Maths

Reception have been engaging in maths activities and practising their skills during independent activities.

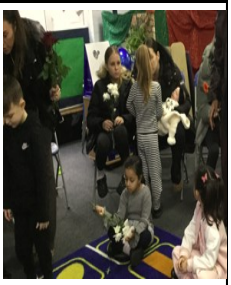

Reception Prayer Service

This week Reception Class, Parents and Carers gathered together to celebrate and give thanks for our wonderful world that God created. The children shared their thoughts and prayers. We gave thanks for the animals, plants, land, environment and people. We read and the children enacted the Gospel according to Matthew. They reminded us how to take care of and look after our world and share Gods love.

How can you help your child with their learning?

Ask your child what do they think they can do to show a little kindness to others?
Remind them it can be the smallest gesture such as a smile.

Don’t let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O’Reilly.
We are always really pleased to meet with you and chat things through.
