

What have we been learning?

Week beginning: Monday 27th April 2026

This week in phonics one of the sounds we have been learning was 'ar'.

We know when 'a' and 'r' come together they make this new sound.

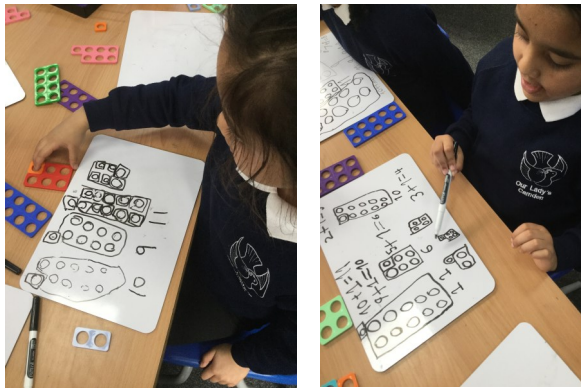

We enacted the story of 'Jaspers beanstalk.' We remembered that Jasper had to learn to be patient and wait for his bean to grow. We described what happened on each day of the week using vocabulary from the story.

1 more numicon

This week we continued our learning and used Numicon to find 1 more and count on one from any number.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see myself (Ms Boakye), Mr Withers or Mrs O'Reilly.

We are always really pleased to meet with you and chat things through.

How can you help your child with their learning?

Ask your child to retell favourite stories at home. use everyday home objects as props to act them out. Have conversations about the events and what will happen next?
