

What have we been learning?

Week beginning: Monday 29th September 2025

We have been learning our letters and sounds in our phonics lessons. This week in phonics we have been learning the sound 'a'.

Which words can you think of that have this sound in them?

Our 5 Senses

We have been learning about our 5 senses. We have been naming the things we can 'see', 'feel', 'touch', 'smell' and 'hear'. We know we can use our 5 senses to learn about the world around us. We also know that we use more than one sense at a time.

Healthy Heart Day

We have enjoyed healthy heart day, learning how to keep our bodies fit and healthy. We joined in with activities such as 'wake up shake up' and 'street dance'. We even made a healthy snack.

How can you help your child with their learning?

Talk to your child about their senses. What they see, feel, hear, taste and smell. Can they name some of them? Can they name all 5 senses? Encourage them to notice the senses they are using when they are, for example, eating, singing, cooking or playing etc.
